RE: Dominion Energy South Carolina, Inc.'s Request for Approval of an  
Expanded Portfolio of Demand Side Management Programs, and a  
Modified Demand Side Management Rate Rider;  
Docket No. 2019-239-E

Dear Ms. Boyd:

In accordance with Commission Order No. 2019-880, Dominion Energy South Carolina, Inc. ("DESC") hereby informs the Public Service Commission of South Carolina ("Commission") of its decision to temporarily suspend both the Home Energy Check-Up (HEC) program and the Neighborhood Energy Efficiency Program ("NEEP") effective, Monday, March 16, 2020, as a result of the ongoing COVID-19 pandemic.

With respect to the HEC program, DESC customers with appointments in the remainder of March are being rescheduled in April.

With respect to the NEEP, crews are currently working in North Columbia and Vance and will continue to do so through Friday, March 13. The Company is postponing planned work in Eutawville, and the kick-off event scheduled for March 12 has been cancelled.

The Company will determine a restart date for both the HEC program and the NEEP at a later date.

If you have any questions or need additional information, please do not hesitate to contact us.
